STILL TIME TO MAKE 2013 IRA CONTRIBUTIONS

The 2013 calendar year may be behind us but, you still have time to make your 2013 IRA contribution. In fact, you have until your 2013 tax due date not including any extensions. For most people that means April 15, 2014 to contribute up to \$5,500 for last year and \$6500 if age 50 or older.

TAX TIME!

We have tax loans to assist you with taxes that you may owe "Uncle Sam". A repayment plan of 12 months and a low interest rate will solve the unexpected "bill due". Disbursements will be made directly to the Internal Revenue Service or State Department of Revenue. Contact a loan officer for more information or apply online today!

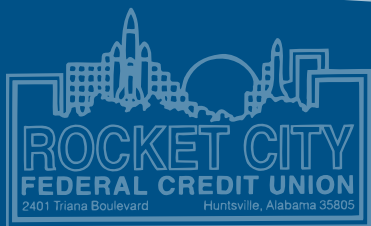

NOTICE: **Income Tax Loans are available through April 15, 2014**

MOBILE & ONLINE BANKING

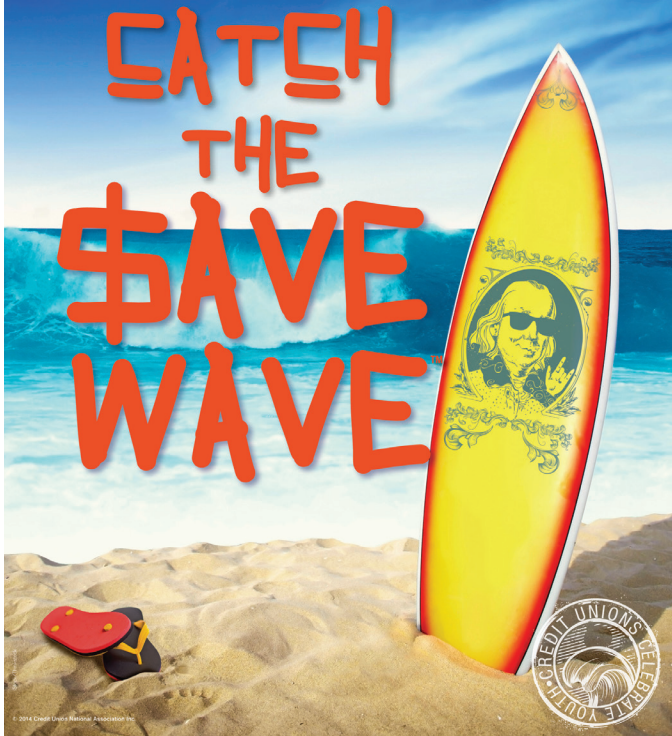

Our newest branch is in the palm of your hand and/or in the comfort of your home with mobile and online banking. Access your accounts using your iPhone or Android phone devices. You can also create account alerts to be sent to your phone or email account for low balance thresholds, deposit activity, and other account activity items. Visit our website at www.rocketcityfcu.org and visit the Virtual Branch for more information today!

PROTECT YOUR INFORMATION:

Protecting your financial identity is very crucial. Together with Rocket City Federal Credit Union, you can take steps to prevent and detect identity theft and fraud. The most important step to protecting yourself is to never give out account information to anyone that comes asking for it. Rocket City Federal Credit Union does not call, text or send emails to ask for account information. Remember - we already have it!

You can also take advantage of your free annual credit report check, which gives an overview of your credit accounts from all financial institutions. Free credit reports are available under Federal law at: AnnualCreditReport.com. To receive your free annual credit report you can visit www.annualcreditreport.com or call toll free 877-322-8228.

- If you get an email, phone call or text alert about an account, don't respond before you verify that it's legitimate. It is best to verify by initiating a call to the institution before responding to any communication.
- Use strong passwords that are hard to guess, and never share them with anyone.
- Many of the same precautions used for desktop computers should be taken to protect mobile devices. Devices should be password protected and programs should only be downloaded and installed from trusted sources.
