Offices will be closed:
Monday, May 25 - Memorial Day

Visit www.ezcardinfo.com to stay in touch with your Rocket City Federal Credit Union credit card transactions.
Remember to use one of our ATM's, Home Banking with Bill Payment, Mobile Banking or Audio Response for your convenience during hours that our offices maybe closed.

We have tax loans to assist you with taxes that you may owe “Uncle Sam”. A repayment plan of 12 months and a low interest rate will solve the unexpected “bill

due”. Disbursements will be made directly to the Internal Revenue Service or State Department of Revenue. Contact a loan officer for more information or apply online today!

The 2014 calendar year may be behind us but, you still have time to make your 2014 IRA contribution.

In fact, you have until your 2014 tax due date not including any extensions. For most people that means April 15, 2015 to contribute up to \$5,500 for last year and \$6500 if age 50 or older.

Be on the lookout when using an ATM

It's always a good idea to check out an ATM before using. If anything on the front of the ATM machine seems suspicious, report the findings to the financial institution. Anything that isn't actually built into the ATM could be a skimming device. Pictured is a card scan device that goes right over the actual card scanner on the ATM machine. The device attaches with double sided tape, can be removed and looks identical to the face that's already on the ATM machine. This type of a device captures the card numbers. There may be a camera that points at the keypad to video tape the person entering their pin as they swipe their card. As an additional precaution, you can cover the keypad with one of your hands as you type in a PIN.
