Millions... Billions... Trillions! 1 2 3

CAN YOU COUNT THAT HIGH?

Numbers help us learn about science and cool things in our world. Do you know how high numbers can go?

1 = one

10 = ten

100 = one hundred

1,000 = one thousand

1,000,000 = one million

1,000,000,000 = one billion

1,000,000,000,000 = one trillion

1,000,000,000,000,000 = one quadrillion

1,000,000,000,000,000,000 = one quintillion

The numbers go higher, we can't show them all. One centillion has 303 zeros!

Something that is too big to count in numbers = infinity.

Wild About Saving™

**National Credit Union
Youth Month™**

April 1-30, 2015

Make deposits into your Piggy Bank Club between now and April 30th in order to be entered into a drawing for a chance to win a \$50 Toys R Us gift card!

2200 Clinton Avenue
Huntsville, AL 35805

Qualifications must be met on all loans. Rates and loan availability subject to change without notice. Your loan interest rate will be determined by your credit worthiness as well as other factors, such as the length of your loan. Savings Federally insured to \$250,000 by the NCUA.
