## INSPIRATIONAL Youth

YOU ARE NEVER TOO YOUNG  
TO INSPIRE!

**Meet Olivia Bouler:**  
**an eco-activist, author,**  
**and artist:** According to Olivia we should all strive to keep our planet clean. After the Gulf oil spill of 2010, then 11-years old, Olivia reached out to help. She offered up 500 of her bird drawings to those who donated to wildlife recovery efforts. Raising over \$200,000 in the process, she has received lots of recognition for her conservation efforts, including being named ASPCA Kid of the Year and a Champion of Change by the White House.
