KNOW YOUR SAVINGS

Did you know that your credit union has online banking? That means, with your parent's help, you can monitor your savings at home from a computer, smart phone, or tablet.

First, ask your parent or guardian to bring you into one of Rocket City FCU's offices to sign up.

Once you sign up, you'll be able to see how much money is in your savings account from your own home.

Watching your savings balance grow is encouraging and motivational as you continue to save.

And.... Did you know that for every ten deposits you make of \$5 or more, you'll get a prize from your friends at the credit union? It's easy. Just make sure you get your card punched every time you make a deposit. If you don't have a punch card, ask for one the next time you come in.
